**Re: Addendum to New Complaint of SEI Conflict of Interest Code
Violation by Sunshine Ordinance Task Force Member David Pilpel**

Dear Mr. St. Croix,

This is an addendum to my formal SEI violation complaint against Sunshine Ordinance Task Force member David Pilpel. This addendum should be fully incorporated into, and should be considered as included in, the body of the complaint.

In accordance with information the Ethics Commission's Executive Director provides to each City department and board and commission Filing Officers, willful failure to file required Form 700's may be a misdemeanor.

Given the fact that:

1. Mr. Pilpel was first notified by the Board of Supervisors Filing Officer on or before March 12 of his duty to submit a Form 700 to the Board of Supervisors by April 1; and given that
2. The Board of Supervisors Filing Officer Report to Ethics dated April 8, 2012 noted that Mr. Pilpel had failed to submit a Form 700 by April 1; and considering that
3. At least 117 calendar days have elapsed since the April 1 Form 700 due date, plus at least another 15 calendar days elapsed between when the Certification of Delivery notice was submitted by the Board of Supervisors' Filing Officer to Ethics on March 12, plus an untold number of days *earlier than* March 12 (since the Board of Supervisors did not provide an actual date-certain date on which Mr. Pilpel first received notice of his duty to file the Form 700); therefore,

I am expressly asking Ethics to determine whether Mr. Pilpel's failure to submit his Form 700 by now (since he still appears on the Ethics Commission's web page as an active non-filer as of today's date) constitutes willful failure to have complied with San Francisco's Conflict of Interest and Ethics Laws.
