Dear Members of the Sunshine Ordinance Task Force:

On Monday, April 28, 2014, at its Regular Meeting, the San Francisco Ethics Commission held a hearing on a complaint referred from the Sunshine Ordinance Task Force (Complaint No. 12058) "Dominic Maionchi against Phil Ginsburg, General Manager, Recreation and Park Department." The referral was received by the Ethics Commission on March 3, 2014, and was assigned Ethics Complaint Number 03-140303.

At the hearing the Ethics Commission adopted a motion to refer this complaint back to the Sunshine Ordinance Task Force for "further factual information" because the Ethics Commission could not determine whether Phil Ginsburg was the properly named respondent. This letter serves as that referral.

The hearing may be viewed on www.sfgovtv.org at this link:

The agenda and accompanying documents can be obtained through the Ethics Commission website, www.sfethics.org, at this link:
